

HOW TO OPEN A METAMASK WALLET

1. Open **Metamask** website and click on “**Download for Chrome**”.

2. Follow the steps: simply **add the extension to Chrome** and proceed with creating the password and the **seed phrase**, a secret backup phrase."
3. Guard and keep your **Secret Recovery Phrase**: it will be the only way to connect to and recover your wallet. If you lose it, you won't be able to access it anymore.

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.
